On Friday August 11<sup>th</sup> the residents will take a day trip to ride on the Cassville Car Ferry followed by lunch at the famous Breitbach's restaurant in Balltown, Iowa. The Cassville Car Ferry connects two scenic byways; the Great River Road and the Iowa Great River Road. It is the oldest ferry service in the state of Wisconsin dating back to 1833. The residents will stay on the bus which will hop on the ferry at Millville and get off in Cassville, Wisconsin in which we will then turn our bus around and hop on the ferry again back to Millville. After our journey across the Mississippi River, we will then make our trip to the famous Breitbach's restaurant in Balltown, Iowa. Breitbach's is Iowa's oldest food and drinking establishment in Iowa opening in 1852. Jacob Breitbach, Great-Great Grandfather purchased the drinking establishment in 1862 and since then the family has had continuous ownership of the restaurant. The original structure was destroyed by a fire in December of 2007 and again caught on fire in 2008. Now rebuilt for the second time, Breitbach's serves many guests some of which have included gangster Jesse James, Brooke Shields, and many politicians. Join us for a fun filled day riding the ferry and eating at Breitbachs. Please be sure to sign up with Danielle Helgersen, Recreation Director, as soon as you can as seats are limited!

## A Special Thank You!

All the staff at MeadowView want to give a special thank you to Gary Classon, for all the hard work and countless hours he put into the Memory Garden this year. Without Gary's hard work we would have not been able to pull it off!
