

SHADYS Install Instructions
Exterior Canopy Attachment For
Factory Standard Canopies.
Yamaha Drive 2012 Golf Cars

Step 1

Clean canopy area, where adhesive Velcro will be attached, with alcohol wipe and allow to dry. Apply primer sticks to same area and allow to dry for 10 minutes.

Step 2

Attach 2" Velcro strip along inside edge of canopy as shown.

***Tip: attach Velcro to back of canopy first, cut Velcro when rounding canopy corners to ensure smooth transition from back to side of canopy.**

Step 3

Attach Shadys

Step 4

Lift seat, attach Velcro pad to smooth area along inside panel. Attach strap to Velcro pad and lower seat.
