Adult Tennis

We will be meeting on Wednesday evenings at 7:00 pm and on Friday mornings at 7:00 am. Players will meet and arrange themselves. All levels were represented during the interest meeting so don't hesitate to try!

We are planning an adult social in July (date tbd) and clinics. In the meantime, come out and play!

If you'd like to be added to the adult tennis email group, let Anne know at aeembrey@gmail.com.

Youth Clinics

The youth clinics have gotten off to a fun and exciting start! It's not too late to register...we still have room! We would especially love to have more "8 and under" kids involved, as this is our smallest group.

Registration forms can be found here:
